See the Natural Wonder of Beach Seeps! Tumon Bay Nature Tour

Saturday, April 7 and April 21 – From 1 p.m. to 4 p.m.

Meet at the Ypao Beach Lifeguard Tower near Hilton

Come see one of Guam's natural wonders! Water from the freshwater lens runs from the beach into the ocean during low tide, and with our tour guide you can see it happen. Your tour will also include a brief overview how Guam and the Northern Guam Lens were formed.

How do I register: Complete this form and email it to TammyJoAnderson.taft@epa.guam.gov or drop it at Guam EPA's main office in Tiyan.

Who should attend: Parents, students, those who run in Tumon and anyone interested in finding out more about your drinking water.

Please fill the form entirely and email it to TammyJoAnderson.Taft@epa.guam.gov, drop it off at the Guam EPA Main Office in Tiyan (Across from WIC and Untulan Middle School). For more information call 475-1658/59/46 or 988-7582.
